

IUOE Unit 12 Local 501 Scores a \$13,000 Victory for Unit 12 Members at the Department of Food and Agriculture, Kern County Fairgrounds - February 21, 2018

Last fall, IUOE Local 501 Business Representative Jose Barba filed a grievance against the Department of Food and Agriculture, Kern County Fairgrounds for failing to provide Meal Allowances per the Unit 12 Memorandum of Understanding.

For the past three years the Kern County fairgrounds failed to pay 12 of our union members their meal allowances when working overtime shifts.

The grievance was filed when it was brought to the attention of the Union and the Department agreed to settle the matter just before Christmas and divide the \$13,000 settlement up between the 12 employees making this victory even more pleasurable.
