

Unit 12 Dues Realignment Update

Last week, the Business Managers for IUOE Locals 3, 39, and 501 met to discuss the Unit 12 dues realignment. During this discussion it was decided upon by the Business Managers to add a \$0.75 per month increase effective August 2017. However, a dues realignment has been postponed until early 2018.

Effective August 2017, the new union dues rate for Unit 12 members will be \$56.75 per month.
